

If you would like to donate your embryo(s) for training purposes:

YOU MUST BOTH COMPLETE A WCS FORM IF THE EMBRYO(S) WERE CREATED USING YOUR EGGS AND SPERM. PLEASE MAKE SURE YOUR CONSENT FORMS MATCH TO ALLOW US TO CARRY OUT YOUR WISHES.

To donate your embryo(s) for training please complete the following sections on the WCS form:

- **Section 1**

Fill in your name, DOB and ID number.

- **Section 2**

Fill in your partners name, DOB and ID number, who you created the embryos with (if applicable). Sign and date the bottom of this page.

- **Section 3.2**

Tick the box next to option B to allow us to use your embryos for training purposes. Sign and date the bottom of this page and move on to section 4.2

- **Section 4.2**

Please tick either the maximum of 10 years consent or the shorter period box (if you choose this one, please specify how many years in the box provided). Sign and date the bottom of this page.

- **Section 5**

Complete the declaration by signing and dating section 5

Please see over for instructions if you would like to allow your embryo(s) to be thawed and allowed to perish.
