Terms and Conditions

**Payment:** Payment may be made by cash or credit card and is required before treatment start date.

**Cancelled cycles:** Refunds will be made for cycles abandoned before egg collection, insemination or thawing of embryos. The amount of refund will be determined by the stage of treatment reached.

**Donor Sperm obtained from other centres:** Donor sperm may be obtained from Sheffield and other centres; there will be a charge to cover the purchase and carriage of samples. A storage fee will be charged.

**Egg donation:** Patients will be required to pay part of their fee (£620) on registration to the programme. This is to cover the costs of screening and preparation of the donors. **This is non-refundable.**

**Counselling:** Counselling is a complementary service provided for patients undergoing or who have had treatment at Jessop Fertility.

**Surrogacy:** The total cost for host surrogacy will depend upon individual circumstances. Patients will be required to pay part of their fee (£620) on registration. **This is non-refundable.**
